## CHRISTMAS GIFTS CATALOGUE

34th ST. ENTRANCE.

SUPPLEMENT TO OUR GENERAL CATALOGUE

*All Holiday Orders will be Shipped within 48 Hours after Receipt of Same*

### THE SIMPLICITY OF THE MODERN METHOD OF SHOPPING—BY MAIL

Write for what you want in your own way, giving catalogue number of each article. Don't forget to state size and color when necessary.

Never mind whether your writing is good or bad; just write the way you are accustomed to; write in any language—we have translators for all languages.

Use our order blank if you have one. If not any plain paper will do.

Put in your letter the amount of money, either by Post Office Money Order, which you get at your Post Office, an Express Money Order, which you get at the Express office in your town, or a draft, which you get at your local bank. If you send the actual money with your letter, be sure and take it to the Post Office and have it registered.

If you live on a rural delivery route, just give the mail carrier the amount of money you wish to send, and he will get the money order at the Post Office, put it in the letter and mail it for you.

**DON'T BE AFRAID THAT YOU WILL MAKE A MISTAKE.** We receive thousands of orders from young and old who never ordered goods by mail before.

**BE SURE AND READ OUR SPECIAL FREE DELIVERY OFFER.** If what you think of ordering now is not enough to make the delivery free, it will be very easy to add something your friend or neighbor will want, and so make order big enough for free delivery.

Remember that you can always get greater value in NEW YORK for your money than anywhere else in the United States. If you don't buy in New York you are not getting all your money should bring you.

#### Our Terms Are—One Price to All

Cash in every instance and without discount. We prefer remittance with the order, but will send C. O. D. to any Express Office in the States of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, Pennsylvania, New Jersey, Delaware, Maryland, Virginia, West Virginia, Ohio, Kentucky, Indiana, Illinois, Michigan, Wisconsin, Minnesota, Iowa, or Missouri, and provided one-quarter of the amount of the order is PREPAID, will send to any other State or Territory of the United States.

Express Companies instructed NOT to allow C. O. D. goods examined.

ALL ORDERS to go by MAIL or FREIGHT must be accompanied by a remittance of full amount of money.

**Be Sure and Read Our Special Free Delivery Offer on Page 1**

#### How to Order Goods Sent

When not taking advantage of our Free Delivery Offer, state clearly how you wish the goods to be sent—whether by Express, Mail or Freight. If by Freight, name the line, if possible, and if by mail, state whether you wish goods sent by Registered or Open Mail, and remit the money for postage. We would advise you to have shipments by mail insured; the cost is small, the guarantee against loss certain. It is better than registration.

#### Insurance on Packages by Mail Costs as Follows

Parcels by open mail, valued at \$5.00 or less, 5c. each parcel. \$5.00 to \$10.00, 10c. Parcels by registered mail, valued at \$10.00 to \$25.00, 5c. each parcel; \$25.00 to \$100.00, 10c.

**Remember That We Guarantee Delivery of Insured Parcels**

# NATIONAL DELIVERY SERVICE

THE wonderful increase in our Mail Order business by the addition of many thousands of customers from distant points, wise American women who realize the great advantage and economy of buying from the leading Dry Goods and Department Store of the leading city of the United States, prompts us to make the following liberal offer concerning deliveries:

**We will prepay freight or express charges on all paid purchases**

—with the exception of FURNITURE, PIANOS, REFRIGERATORS, SEWING MACHINES, BOATS, CHINA, GROCERIES, and such goods as may be classed as heavy or bulky—under the conditions named below: shipments to be made by freight, express or mail, as the character of the goods, in our judgment, warrants. Prepayment of charges does NOT include cartage from railroad depot when goods go forward by freight. We DO NOT PREPAY on C. O. D. Orders. The minimum amount of purchases entitling purchaser to free delivery:

- Paid Purchases Amounting to \$5**—FREE delivery to any town in NEW YORK, NEW JERSEY, CONNECTICUT, DELAWARE, PENNSYLVANIA, MASSACHUSETTS, RHODE ISLAND, NEW HAMPSHIRE, MARYLAND, VERMONT and the DISTRICT OF COLUMBIA.
- Paid Purchases Amounting to \$10**—FREE delivery to any town in MAINE, ILLINOIS, WEST VIRGINIA, INDIANA, KENTUCKY, MICHIGAN, OHIO and VIRGINIA.
- Paid Purchases Amounting to \$25**—FREE to any town in ALABAMA, FLORIDA, GEORGIA, IOWA, NORTH CAROLINA, SOUTH CAROLINA, TENNESSEE and WISCONSIN.
- Paid Purchases Amounting to \$50**—FREE to any town in LOUISIANA, KANSAS, ARKANSAS, NORTH DAKOTA, INDIAN TERRITORY, NEBRASKA, OKLAHOMA, MINNESOTA, SOUTH DAKOTA, TEXAS, MISSISSIPPI, and MISSOURI.
- Paid Purchases Amounting to \$75**—Free to any town from the Atlantic to the Pacific.

Combine your neighbor's orders with your own and take advantage of this remarkable proposition—Macy's famously low prices and free delivery of merchandise. We will pack each order separately, shipping in one case.

This liberal offer replaces our former delivery rules.

## THE BOY FROM MISSOURI VALLEY AND OTHER

Good Things, written by ELBERT HUBBARD, is a signboard pointing the way to health, happiness and success for many thousands.

**PUBLISHED AT TEN CENTS**

There are three really great writers in the world to-day. ELBERT HUBBARD is one of them. He uses as many words as Shakespeare. He has ease, facility, poise, reserve, sympathy, insight, wit, and, best of all, common sense. He is big enough and great enough to laugh at himself; his enemies he regards as friends who misunderstand him, and his avowed friends cannot turn his head by flattery.

We will send you this book for five cents, postage free, and if after reading it you decide the book is not worth 25 cents, we will refund the money you paid for it on application without question. Include this book when you are next ordering goods, and you will not be sorry.

# Christmas

and

# Macy's

HIS little book is supplemental to our big general catalogue, and is designed to aid you in the perplexing task of choosing the holiday gifts you wish to purchase.

It is practically impossible to include in this catalogue all the articles suitable for Christmas gifts that we have in stock. But if you do not find what you want in this book, do not conclude that we have not got it. IF YOU CAN GET IT ANY PLACE YOU CAN GET IT HERE.

We are displaying this season the greatest stock of holiday goods that has ever been gathered under one roof. It includes complete assortments of the highest grade imported goods from every part of the globe: Diamonds and Jewelry, Paintings and Art Medals, Bronzes, Marbles, Oriental Rugs, Art Draperies, Wearing Apparel, China, Glass Ware, and Bric-a-Brac, as well as a lavish display of moderate priced and inexpensive articles. WE CATER TO THE MILLION AND THE MILLIONAIRE

And remember that our methods of merchandising during the holidays are the same as for the rest of the year. WE SELL CHEAPER THAN ANY OTHER HOUSE; but for cash only. Our matchless economies frequently permit you to MAKE TWO PRESENTS FOR THE SUM YOU EXPECTED TO PAY FOR ONE.

## MERCHANDISE BONDS

For the convenience of our customers, we are now issuing Merchandise Bonds in denominations of \$1.00 and \$5.00, which may be used in payment of purchases in any department of our establishment, excepting for wines or liquors.

Many persons desiring to present a gift to a friend, acquaintance, employee, or as an act of charity, do not know just what would be most acceptable to the intended recipient, and have a delicacy about making the gift in money. Our Merchandise Bonds solve the problem, and allow the holder to choose exactly what is desired at any time. These bonds may be purchased in any amount, as they are issued in denominations of \$1.00 and \$5.00; the \$5.00 bonds have five one-dollar coupons attached, thus permitting the holder to purchase at various times if more convenient. They are redeemable only in merchandise.

Merchandise Bonds may be used as money when ordering by mail; if presented in person it is necessary to purchase on a Transfer Card, making a selection from any department or departments, and presenting the bond in payment at the Transfer Desk only; goods so purchased are subject to exchange, but no refund in cash will be allowed.

Unless so desired by the donor, purchases cannot be made in the Wine and Liquor Department, but a stamp authorizing purchases in this Department will be attached at time of purchase if so requested.

We call your special attention to No. C 265 because of the exceptional value offered. This beautiful doll is imported by us in great quantities, and there is no store in the country offering a doll of this kind for less than \$1.50.

# SUGGESTIONS—"HOW TO ORDER"

Explanations and suggestions, which, if carefully followed, will avoid the necessity of any inconvenience and delay in filling orders.

## WHEN SENDING AN ORDER

Write at the top of your letter your Post Office, County and State, with the date of writing. Use our order blanks if convenient. More blanks will be sent upon request.

State clearly how you wish the goods to be sent—whether by Express, Mail or Freight. If by Freight name the line, if possible; and if by Mail state whether you wish goods sent by Registered or Open Mail and remit the money for postage.

## OUR TERMS ARE—ONE PRICE TO ALL

Cash in every instance and without discount. We prefer remittance with the order, but will send C. O. D. to any Express Office in the States of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, Pennsylvania, New Jersey, Delaware, Maryland, Virginia, West Virginia, Ohio, Kentucky, Indiana, Illinois, Michigan, Wisconsin, Minnesota, Iowa or Missouri, and provided one-quarter of the amount of the order is PREPAID, will send to any other State or Territory in the United States.

Express Companies are instructed NOT to allow C. O. D. goods examined.

ALL ORDERS to go by MAIL or FREIGHT must be accompanied by a remittance of full amount of money.

## HOW TO ORDER GOODS SENT

**NOTE**—We strongly advise our customers, whenever possible, to order their goods sent by express. If the express companies fail to deliver the goods, they are responsible and will pay for them. When goods are forwarded by freight our responsibility ceases with the delivery to the transportation company. We would advise you to have shipments by mail insured; the cost is small; the guarantee against loss certain. It is better than registration.

## INSURANCE ON PACKAGES BY MAIL COSTS AS FOLLOWS:

Parcels by open mail, valued at \$5.00 or less, 5c. each parcel: \$5.00 to \$10.00, 10c. Parcels by registered mail, valued at \$10.00 to \$25.00, 5c. each parcel: \$25.00 to \$100.00, 10c.

Remember that we guarantee delivery of insured parcels.

## HOW TO DESCRIBE GOODS ORDERED

Describe clearly and distinctly the goods you want. If you are ordering from one of our newspaper advertisements, please state name and date of paper. Describe the article ordered as fully as you possibly can, and tell us what you want it for, as this knowledge will often enable us to suit you better than we otherwise could. If you are ordering from sample, forward a part of the sample selected, and attach to it a memorandum of the number of yards required. State definitely whether the order must be filled exactly, as per sample, or whether our judgment may be used in selecting a substitute in case the exact thing is sold out.

## HOW TO FORWARD MONEY

Better send too much than too little; all sent in excess is returned with bill, and having too much saves delay in writing for balance due, before goods can be shipped.

We prefer that remittances be made to us (when possible) by BANK DRAFTS OR N. Y. POST OFFICE MONEY ORDERS. EXPRESS ORDERS are also desirable, and can be obtained at any express office.

## AVOID SENDING MONEY BY OPEN MAIL

It places temptation in the way of post office employees and others and is liable to loss without chance of recovery, while P. O. Money Orders, Bank Drafts and Express Money Orders can be replaced with but little trouble and delay.

## GOODS SENT C. O. D.

If you wish us to forward your goods C. O. D. by express we will do so (see list of States), but we strongly advise you not to order goods sent in this manner. The expense of returning money by express will add materially to the cost of your purchase, without any corresponding advantage, as the express companies are instructed not to allow packages to be opened before delivery. We, however, require prepayment of one-quarter of the amount of the order when the same is received from points not located in the States named.

All goods by Mail, Express or Freight are at Customer's Risk.

## COMPLAINTS

When the goods reach you, if they are not in every respect satisfactory, or if you have any complaint to make regarding them, write to us at once and we will do our best to satisfy you. If you have any complaint to make concerning an order, be sure to give its number if you know it. If you cannot do this, then give all the other particulars you can, and be sure that the complaint is signed with the same name and initials as were attached to the order.

## HOW TO RETURN GOODS

We wish to act with liberality in permitting our customers to return goods, which, for any reason, may be unsatisfactory to them, but in every instance when a customer wishes to return goods we must be advised before the goods are shipped back to us. If you desire to return anything, notify us by letter and we will promptly send you a shipping tag to use. A strict adherence to this rule is necessary to enable us to properly and promptly exchange goods or make a credit. Goods returned to us without previous notification will not be received.

Do Not Enclose Letter of Instruction in Package.

If you wish to Return Goods by Mail, then read the following:

The United States Post Office has two rates of postage; one of 16 cents a pound, on packages containing merchandise only; and the other of 32 cents a pound, on packages containing communications of any sort. If a package has marked upon it anything whatever except the address, and the name and the address of the sender, even if it be only the number of the order, it is treated as a letter, and is subject to the full rates of letter postage; or if sealed or sewed, or otherwise fastened up in such a way as to prevent the postoffice authorities examining its contents, full letter rates are charged as a penalty for violation of the law. No explanations can be admitted. We are forced to pay penalty of 32 cents a pound before we can receive the package, or ascertain its contents, and often discover that we have paid for postage more than the article is worth. Wrap your goods up, tie them with a bow knot, direct them to us, and write in one corner, "I enclose" filling the blank with your own name and address. Do not enclose letters with goods sent by mail.

When you return goods, always write us a postal card or letter giving number of the order on which the goods are returned, a list of the goods, and your instructions.

## REGULAR \$1.50 BOOKS AT 98c.

**When New Books are Advertised by the Publishers at \$1.50, Macy's Price is Always 98c. or Less. The Reasons Why**

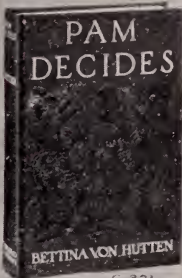

The "Book Trust" is composed of the Leading Publishers. This Trust has a compact with department stores and book stores to sell all new books at uniform prices, thus forcing the public to pay whatever profit the publishers may dictate. Macy's is the only store refusing to make such an agreement. We refused to make any distinction between books and other lines of merchandise and continued charging only our small margin of profit, which means that we sell books the same as all lines of merchandise, cheaper than any other store.

As a result the Trust is trying to drive us out of the book business by forcing us to pay more for our books than others pay. But we can pay more and by charging only our customary margin of profit, still sell cheaper than anyone else. The moral is—MACY'S always undersells. So whenever you see new books advertised by publishers at \$1.50, you may know, without asking that Macy's price is 98c. or less. Orders taken for any books at Macy prices.

The books herein catalogue are the most interesting of this season's publications.

## What a Macy Watch-Movement Guarantee Means

Did you ever read carefully and analyze the "Guarantee" of the catalogue houses on watch movements? It is remarkable what a lot of language they use to say nothing. Reduced to a substance these "Guarantees" cover a repairing when a watch has a defect in material or workmanship. That's all. The Macy Guarantee is the strongest and best movement guarantee ever offered. It means exactly what we say, that the movement is perfect in material and workmanship, or if not we will make it so, and not only that, but we will keep these watches in perfect condition for the time of their guarantee, provided the watch has not been abused. And remember this guarantee is MACY'S, half a century in business, and the largest store in New York.

## About Macy's Watch Case Guarantee

Where we guarantee a watch case, it applies to gold filled cases, and means that should a case change in color, or any part wear through before the time stipulated, we will, free of all cost, replace the case. Our method of testing every case before it is placed on sale, has resulted in our never having to replace a single case on account of wearing qualities in our forty-nine years of watch selling.
